TROUBLES IN OKLAHOMA

WASHINGTON, D. C., February 5 .-During the routine of morning business, Mr. Gray, of that state, presented the credentials of Richard R. Kenney, Spless and Fall, to-day. The parties as senator-elect from Delaware, the came to blows in the council chamber, oredentials being in due form, signed but no gore was spilled. by the governor and the secretary of the state of Delaware. Mr. Chandler took occasion to say that, while he should not object to Mr. Kenney's be-ing sworn in, he believed Mr. Dupon should fill the vacant seat. The matter would doubtless be brought before the senate in due time in the contest of Mr. Kenney's right to the seat in

question.

Escorted by Mr. Gray, Mr. Kenney then appeared before the vice-president and took the oath of office.

An effort was made by Mr. Morrill to have the house bill taken up prohibiting the sale of intoxicating liquors in the capitol Mr. Thurston, who had the floor on Mr. Allen's Pacific railroad resolutions, consented to yield it, in order to accommodate Mr. Morrill. But assurance was given by Mr. Hill that a vote on the bill could not be reached in the morning hour; thereupon, Mr. Allen's resolutions were taken up and Mr. Thurston proceeded with his argument against his colleague's resolutions in favor of a combecause he thought it was a pretty good business. The American Sugar Refinery Company, the witness said, hau no connection with the coffee compromise arrangement by which the overnment would receive from the Union Pacific company at least \$29,-000,000, net, for its claim against the company.

After three sessions which were devoted to a consideration of the petition of Henry A Dupont, of Delaware, in his claim to a seat in the United States senate, the senate committee on privileges and elections, this morning, refused to re-open the case. Messrs. Mitchell and Pritchard were absent, but every other member of the commit-tee, except Mr. Chandler, voted against taking up the case again.

Mr. Johnson, of Indiana, presented the unanimous report of elections committee No. 2, upon the contest of Alex Benoit es. Charles J. Boatner, from the fifth district of Louisiana, in favor of

No mention is made of the "City of Agra".

BUTTE, Mont., February 5.—The Northwestern national bank, at Great Falls, Mont., falled to open its doors, this morning. The reason given in the dispatches is a discovered defalcation of about \$27,000, which sum has been taken from the vaults since yes-terday.

GUTHRIE, O. T., February 5. - There These re-unions celebrate the escape of GUTHRIE, O. T., February 5.—There are indications of serious trouble at Mangum, Greer county, over the bill recently passed, and which has caused a grand rush. Every lot not occupied by a building, has been "jumped," and is being held down by men with Winchesters and six shooters, while the original claimants, who laid out the town under the laws of Texas, are making ugly threats.

The Deming delegation favoring the proposed county of Washington, with Deming as the cumpy seat, is receiving daily increase in strength at Santa Fe.

THE BEST FAMILY MEDICINE Has Ever Known. Words of Praise from a New York Lady for AYER'S PILLS

Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derange-ments, Ayer's Pills cannot be equaled.

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known."— Mrs. May Johnson, 368 Rider Avenue,
